of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said promissory notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazepore factory for the year 1883-84, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazepore factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. The public are hereby informed that the opium manufactured at the Patna factory in season 1883-84 includes about 4,500 chests of 76° consistence, and that the opium manufactured at the Ghazepore factory in the same season includes about 8,883 chests of 72° and 1,965 chests of 74° consistences. The higher consistences will be mentioned in the sale notifications of the months in which they will be sold.

19. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A promissory note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank

of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said promissory notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazeeport factory for the year 1883-84, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazeeport factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. The public are hereby informed that the opium manufactured at the Patna factory in season 1883-84 includes about 4,500 chests of 76° consistence, and that the opium manufactured at the Ghazeeport factory in the same season includes about 8,883 chests of 72° and 1,965 chests of 74° consistences. The higher consistences will be mentioned in the sale notifications of the months in which they will be sold.

19. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

Offg. Secretary.

RESOLUTION.—The rules regulating the admission of students to the Indian Engineering Colleges, and the manner in which appointments in the Engineering Branch of the Public Works Department may be obtained by students of these Colleges, are contained in the Resolutions of the Government of India in the Public Works Department of 11th November 1882 and 14th February 1883. These Resolutions modified the previously existing rules in several respects, and notably in giving to students of pure Indian descent a preference over all other students for guaranteed appointments in the Public Works Department. As long ago as 1876 it had been remarked by the Secretary of State that very few persons of pure Indian origin succeeded in obtaining appointments in the public service through the Engineering Class of the Thomason College, and between that time and the year 1882 he had repeatedly urged on the Government of India the advisability of giving to pure natives a preferential claim to such appointments. The Government of India, while recognising the desirableness of attracting natives of India to the Engineer Department, hesitated to give an exclusive preference to one class of natives of India as defined by Statute, and the discussions on this point ranged over a considerable period. Ultimately the Governor-General in Council acquiesced in the proposals of the Secretary of State, being influenced mainly by the consideration that, owing to reductions in the Public Works Department, the number of appointments available for pupils of the Indian Colleges had become so small that in no other way could the object in view be attained. The number of appointments guaranteed to the four Indian Colleges was no more than six for the year 1885 and seven for 1886, and under these circumstances almost the only way of facilitating the candidature of pure natives seemed to be to give them a preference over other students. Shortly after the issue of the Resolutions in question, memorials were received from various Associations of domiciled Europeans and Eurasians in India, remonstrating against the disadvantage at which persons of their class were placed by the new rules. These memorials were forwarded to the Secretary of State with the despatch from the Government of India of 28th July 1883, in which the Governor-General in Council remarked that although, looking to the small number of appointments involved, the memorialists appeared to exaggerate somewhat the practical effect of the rules upon their interests, he could not but think that “they had a certain solid foundation for their dissatisfaction, and that their representations deserved attention.” The Governor-General in Council accordingly recommended that arrangements should be made in regard to the recruiting of the Public Works Department which would have the effect of increasing the number of appointments available for the Indian Colleges to eleven, and that with this extension of the field of employment the area of competition might again be widened so as to include all persons coming under the statutory definition of natives of India. Considerable correspondence has since taken place upon various points of detail in this scheme, and the Secretary of State has now decided that the annual recruitment from the Indian Colleges shall be fixed at nine. Although somewhat smaller than what they had recommended, the Government of India believe that this increase in the number of appointments, taken in connection with the changes made in other respects in the rules of admission to the College, renders it unnecessary to maintain a preference in favour of students of pure Indian descent, and that the object with which that preference was given may now be sufficiently attained without it. In future, therefore, all students coming under the statutory definition of natives of India will be eligible to compete for the guaranteed appointments in the Public Works Department.

The appointments will, for the present, be allotted as follows :—

To Thomason College, Rurki	...	...	4 and 5 alternately.
Seebpore	...	...	2 and 1
Madras Civil Engineering College	...	...	1

The following are the conditions of sale:—

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A promissory note for a sum, calculated according to the scale noted in the margin,

**DEPOSIT.**  
When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.  
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.  
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.  
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said promissory notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazee-pore factory for the year 1883-84, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazee-pore factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. The public are hereby informed that the opium manufactured at the Patna factory in season 1883-84 includes about 4,500 chests of 76° consistence, and that the opium manufactured at the Ghazee-pore factory in the same season includes about 8,883 chests of 72° and 1,965 chests of 74° consistences. The higher consistences will be mentioned in the sale notifications of the months in which they will be sold.

19. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

C. E. BUCKLAND,

*Offg. Secretary.*

The following are the conditions of sale:—

1.—The opium will be sold for exportation by sea only, and no certificate will be granted except to cover such export.

2.—The opium will be ordinarily offered for sale at an upset price of Rs. 800 per chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by clause 13 of these Conditions of Sale. The bids must advance by Rs. 5 at a time.

3.—The sale shall commence at the hour of 11 A.M. of the day fixed by previous notification, and shall not be continued after the hour of 5 P.M.; but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a public holiday), at the hour of 11 A.M., and so on until the whole of the remaining lots are disposed of; or, if the whole quantity advertised shall not be sold on the day appointed, the Board of Revenue may dispose of the lots which remain on hand at a future sale.

4.—Each lot shall contain five chests.

5.—A promissory note for a sum, calculated according to the scale noted in the margin,

DEPOSIT.  
When the amount bid is less than Rs. 1,200 per chest, Rs. 200 per chest.  
On bids of Rs. 1,200 and upwards, but less than Rs. 1,600 per chest, Rs. 300 per chest.  
On bids of Rs. 1,600 and upwards, but less than Rs. 2,000 per chest, Rs. 400 per chest.  
And so on, Rs. 100 being added to the deposit for every bid additional, to the extent of Rs. 400.

shall be taken as a deposit on each lot from the purchaser in the sale-room and before the lot is registered in the sale-book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Bank of Bengal Receipts, or by substitution of other public securities of the Government of India, on or before 3-30 P.M. in the afternoon of the fifth day after the sale provided it does not fall on a Saturday; if it falls on a Saturday, the said notes must be redeemed by 1-30 P.M., or, on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts or deposit of other public securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit; and all losses and expenses whatsoever attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6.—The said promissory notes shall be absolutely payable in any event, and the amount thereof shall be absolutely forfeited upon such default as before mentioned, and the amount thereof shall not go or be credited in reduction of any loss on re-sale or expenses thereby incurred, but shall be recoverable whether such re-sale shall be had or not, or whether there shall be a loss on such re-sale or not.

7.—The Promissory Notes taken on the day of sale under the fifth condition, if remaining unredeemed at 3-30 P.M. of the fifth day following the day of sale, or 1-30 P.M. if the last day falls on a Saturday, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

8.—No tender of money, Bank of Bengal Receipts, or public securities, on account of opium upon which the prescribed deposit may not have been made before the prescribed time in clause 5 on the fifth day following the day of sale, will be afterwards accepted. Provided always that money so subsequently tendered may be taken in payment of the said Promissory Note, but such acceptance of money shall in no way entitle the payer thereof to any right to delivery of the lot or lots in respect whereof the said note was given, or to any of the rights of a purchaser thereof, or release the payer from liability for any unpaid balance of such notes or from the additional liability for the loss and expenses of such re-sale as provided for in clauses No. 5 and No. 6.

9.—The opium advertised for sale shall be paid for not later than by 3-30 P.M. of the fifteenth day from the day of sale, provided it does not fall on a Saturday; if it falls on a Saturday, the opium must be paid for by 1-30 P.M.; and in case any lots of such opium shall not be so paid for and adjusted, then the cash deposit made under the fifth condition, or any public securities that may have been deposited on account of such lots or chests, shall be forfeited, and the opium shall be disposed of on account of Government at such time and in such manner as the Board of Revenue shall think fit; and the first purchaser shall further be required to make good all expenses and any loss or difference of price between that obtained at the re-sale and the amount at which the opium was first purchased, forfeiting all advantages that may arise from such re-sale, and the liability for the loss or difference of price and expenses shall be in addition to, and wholly independent of, the amount of the deposit so forfeited.

10.—Purchasers taking out certificates or orders for the delivery of opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each certificate or order; and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

11.—No deposit of public securities under the fifth of the present conditions will be received in this office except from the party recorded as the purchaser in the sale-book, or his authorized agent. The receipt for deposit of public securities will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

12.—The officer superintending the sale on the part of the Government is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

13.—With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained; and the first *bond fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of Rs. 800 specified in the second of these conditions.

14.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the opium to complete the said twenty-five.

15.—In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the opium included in this notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

16.—The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by personal application at the office of the Board of Revenue:—No. 1, certificate of the opium advertised for sale; No. 2, report of the examination of such opium.

17. The public are hereby informed that in providing the investment of the opium manufactured at the Patna factory and the opium manufactured at the Ghazepore factory for the year 1883-84, the same precautions have been taken as those which have been observed during past years to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of opium put into each cake. An account of the weight of the drug when packed at the Patna and Ghazepore factories, and a statement of the average weight of the chests, indiscriminately taken, for the purpose of comparison, from the despatches on arrival at Calcutta, may be seen on personal application at the Office of the Board of Revenue.

18. The public are hereby informed that the opium manufactured at the Patna factory in season 1883-84 includes about 4,500 chests of 76<sup>o</sup> consistence, and that the opium manufactured at the Ghazepore factory in the same season includes about 8,883 chests of 72<sup>o</sup> and 1,965 chests of 74<sup>o</sup> consistences. The higher consistences will be mentioned in the sale notifications of the months in which they will be sold.

19. Any further information respecting weight or quality of the opium advertised for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on personal application at the office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board of Revenue entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of opium, or adulteration of the drug, which may be preferred on reference to chests after the sale and delivery of the opium for shipment.

Section 57.

*Substitute the following for Clause (l) of this Section and the Note under it:—*

The following rules regulate the powers of the Government of India and of Local Governments in sanctioning deputations and temporary appointments, and the rates of deputation allowance:—

- (I) An officer is said to be on deputation when he is detached on special temporary duty for the performance of which there is no permanently or temporarily sanctioned appointment. A temporary appointment is an appointment carrying a definite rate of pay and sanctioned for a limited time.
  - (II) A temporary appointment, if the cost is Provincial, may be sanctioned by a Local Government without reference to the Government of India, provided the pay of the appointment does not exceed Rs. 3,000 a year. If the cost is Imperial, a temporary appointment requires the sanction of the Government of India; but if the pay of the appointment does not exceed Rs. 3,000 a year, it will be sufficient to include it in the statement of fresh charges submitted to the Government of India, unless it should last for more than a year. In the latter case, a special application must be made for the sanction of the Supreme Government.
  - (III) Temporary appointments on more than Rs. 250 a month will be reported to Her Majesty's Secretary of State in the Annual Statement of Increases and Decreases of Expenditure, or separately in each instance, according to the nature of the case.
  - (IV) An officer may be deputed on special duty by a local Government without reference to the Government of India, and without limit of time, if the cost of the deputation is Provincial, and if the remuneration granted to the officer is not at a higher rate than Rs. 3,000 a year. An officer may not be deputed on special duty by a Local Government if the cost is Imperial without the sanction of the Government of India.
  - (V) An officer, no matter what his salary, may be deputed on special duty by a Local Government for a period not exceeding six months, provided the cost of the deputation is Provincial, and he may be allowed by the Local Government to draw the pay or salary which, but for his deputation, he would have continued to draw either as substantive or officiating. If the duties involve a decided increase of work or responsibility in comparison with the duties of his regular appointment, or require a change of station, the Local Government may in addition allow the officer to draw a deputation allowance at a rate not exceeding one-fifth of salary, subject to a maximum limit of Rs. 10 a day.
- If it is expected that the deputation should last for more than six months, or if it does actually last for more than six months, a special application for the sanction of the Government of India must be made.
- Deputation allowances are granted independently of any travelling allowance which may be admissible.

[NOTE.—“Local Government,” for the purposes of these rules, includes a Chief Commissioner, the Resident at Hyderabad, the Agents to the Governor-General for Rajpootana and Central India, and Department of the Government of India.]

In awarding marks for this, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

(e) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

(f) The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency such as may be expected to be reached by a Native of good education.

(h) Full instructions as to the course of study to be pursued will be issued to the successful candidates as soon as possible after the result of the Open Competition is declared.

The examination will be conducted on paper and *visd voce*, as may be deemed necessary. The last of these examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a Selected Candidate is qualified for the Civil Service of India. 10. Candidates will be tested during their probation as to their ability to perform journeys on horseback; and no Candidate will be deemed qualified for the Civil Service of India who fails to satisfy the Civil Service Commissioners of his competence in this respect.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read—

Letter from the Government of Bombay, No. 2518 of 22nd March 1884, forwarding a letter from Mr. S. A. Kittredge regarding the stamp duties and registration fees payable on debentures issued by Joint Stock Companies, and making certain recommendations thereon.

OBSERVATIONS.—It appears that Joint Stock Companies are now, in some cases, deterred by the expense involved under the provisions of the Stamp and Registration Acts from raising money by the issue of debentures under a deed of mortgage giving to the holders of the debentures a lien on the property of the Company. For the purpose of raising money in this way the Company would ordinarily—

- (1) execute a mortgage deed making over their property to trustees for the benefit of the debenture-holders.
- (2) issue debentures under the terms of the trust deed.

Under the Indian Stamp Act, 1879, the mortgage or trust deed and each of the debentures would be liable separately to stamp duty. The mortgage or trust deed would be an instrument of which registration would be compulsory, and on which a registration fee would be payable. The debentures, containing a reference to real property as security, might also be held to require registration, and they would, as a precautionary measure, ordinarily be registered. Considerable expense is therefore involved in the issue of debentures of the kind described.

RESOLUTION.—With a view to reduce this expense, and to encourage investment by way of loan on the security of the property of Joint Stock Companies, the Governor-General in Council has determined to exempt debentures of the kind above described and interest coupons attached thereto from stamp duty, the mortgage or trust deed remaining liable to stamp duty, and has issued a separate notification for this purpose.

In regard to registration, His Excellency the Governor-General in Council is of opinion that it is expedient that the mortgage or trust deed should continue subject to compulsory registration and to the usual registration fee. Regarding the registration of the debentures separate orders will be issued hereafter.

ORDERED that a copy of this Resolution be forwarded to the Government of Bombay with reference to the letter read in the preamble, and to all other Local Governments and Administrations for information and guidance.

ORDERED also that this Resolution be published in the *Gazette of India* for general information.

No. 1946.—In exercise of the powers conferred on him by section 8 of the Indian Stamp Act, 1879, His Excellency the Governor-General in Council is pleased to remit the stamp duty payable under that Act on debenture bonds issued by a Joint Stock Company under the terms of a mortgage deed, making over in whole or in part the property of the company to trustees for the benefit of the debenture-holders, and on interest coupons attached to the said debentures.

G. H. SIMMONS, Secretary to the Port Commissioners.

No. 987—LA.

FROM THE AUDITORS OF ACCOUNTS OF THE CALCUTTA PORT TRUST,  
To THE VICE-CHAIRMAN OF THE COMMISSIONERS FOR MAKING  
IMPROVEMENTS IN THE PORT OF CALCUTTA.

Dated Calcutta, the 7th June 1884.

SIR,

WE have the honour to inform you that the cash and store accounts maintained in your office for the half-year ending 31st March 1884 have been examined and audited under our supervision and by our direction, and that subject to such objections in matters of detail as have been taken in writing on our behalf, we are able to certify that the accounts have been found correct.

2. We append a statement marked as Appendix A showing the transactions of the Revenue and Capital accounts during the half-year in question, and we certify that the statement of your financial position contained in appendix B represents a true and accurate description of the assets and liabilities of the Port Trust on the 31st March 1884, according as they have been found to be recorded upon your books.

3. We certify that the balances shown by the books to be at credit of the several Parts on the 31st March 1884 were as subjoined:—

					Cash said to be in the hands of cashier.	Amount said to be at the Bank.
					Rs. A. P.	Rs. A. P.
Part	I	...	...	...	35,744 10 0	820 13 7
"	II	...	...	...	1,220 14 1	6,410 12 8
"	III	...	...	...	3,319 14 4	3,344 5 10
"	IV	...	...	...	4,139 13 6	1,027 13 8
"	V	...	...	...	101 4 9	7,991 15 1
"	VI	...	...	...	321 2 9	3,667 12 11
"	VII	...	...	...	1,936 14 10	6,408 9 8
Debenture loan interest, 1881					.....	1,125 0 0
Ditto ditto, 1883					.....	47,250 0 0
Total					46,784 10 3	78,047 3 5

and that the balances actually on the same date in the Bank of Bengal, according to the nine Bank pass-books shown to us aggregated Rs. 1,56,356-11-4.

The difference between this total and the balances claimed from the Bank was due to the fact that a large number of cheques issued during the month of March were not cashed by the Bank until after the close of that month, and that a large number of cash adjustments, orders for which had been issued before the close of the month of March, were not brought to account in the Bank until after the close of that month.

A table explaining these differences is subjoined:—

				Bank balance.	Unpaid cheques.	Short credits.
				Rs. A. P.	Rs. A. P.	Rs. A. P.
Part	I	...	...	25,622 11 4	24,901 13 9	100 0 0
"	II	...	...	17,190 12 8	10,780 0 0	.....
"	III	...	...	10,092 7 9	6,748 1 11	.....
"	IV	...	...	35,213 2 6	42,854 4 10	8,669 0 0
"	V	...	...	7,774 0 7	50,539 0 5	50,756 14 4
"	VI	...	...	3,721 15 3	9,862 10 4	9,808 8 0
"	VII	...	...	8,366 9 3	11,957 15 7	10,000 0 0
Debenture loan interest, 1881				1,125 0 0	.....	.....
Ditto ditto, 1883				47,250 0 0	.....	.....
Total				1,56,356 11 4	1,57,643 14 10	79,334 6 4

It will be seen that a sum of Rs. 46,784-10-3 was in the hands of the cashier on the last day of March 1884, of which, however, only Rs. 4,932-0-7 represented actual cash, the remainder, viz. Rs. 41,852-9-8, represented cheques.

4. We furthermore certify that the Government securities retained in the statement of assets as in the possession of the Trust were actually in existence. The ledger balances of these securities have been verified by one of us with the securities held in the office and with the acknowledgments granted by the Bank of Bengal for such securities as are retained there for safe custody. The nominal value of these securities aggregated Rs. 7,82,000, of which securities to the value of Rs. 600 are retained in the office and have been seen by Mr. Larpent, and securities to the value of Rs. 7,81,400 are with the Bank of Bengal, the receipts for which were produced before us.

The details of these securities are as follows:—

	Rs.
Jetty insurance fund	51,800
Jetty reserve	1,00,000
Port	3,50,000
" depreciation	1,98,200
Chotta Lal's bathing ghât	15,000
Security deposits of contractors and employes	67,000
Total	7,82,000

5. The receipts and disbursements for the whole year are exhibited in an abstract statement marked as Appendix C. We do not consider it requisite to record any remarks in respect to the comparison made by us between the sanctioned estimates and the actual expenditure during the year, inasmuch as this comparison has already been recorded in a very complete manner by the Vice-Chairman in a note dated 5th May 1884; and as the sanction of the Government has been asked for such excesses as have resulted on the expenditure side in accordance with the requirements of sections 35 and 51 of Bengal Act V of 1870, no further notice upon our part seems requisite.

We have the honour to be,

SIR,

Your most obedient servants,

R. LOGAN,

Offg. Accountant-General.

FREDERIC LARPENT,

Examiner of Local Accounts.

5. The audit of the accounts for the whole year, ending 31st March 1884, having thus been completed, we have summarised the transactions for the year in a special statement, annexed, which has been numbered as Appendix A. In this statement the operations of the year are contrasted with the estimates sanctioned by the Government. It is unnecessary to notice in any detail the comparison upon the receipt side of this statement; and it is only necessary to say that under two heads of expenditure only has any excess over the estimates occurred. Under the other heads material savings have accrued under the item Repayment of loan, an excess of Rs. 85,000 has occurred an excess rendered justifiable, if not necessary, by reason of the increased receipts from the tolls upon railway traffic, and one petty item has been incurred without any provision in the estimates, viz., the item of Rs. 1,322-3-5 expended upon illuminating the bridge on the occasion of the visit of His Royal Highness the Duke of Connaught to Calcutta.

We have the honour to be,

SIR,

Your most obedient servants,

B. LOGAN,
